atmosphere.

“The designer Lee Anderson of Lee Anderson Couture said, ‘Kim Bickley loves unique patterns with soft detail and beautiful colors. When she mentioned her daughter was getting married in Monaco, and that she wanted to combine the look of elegance with boldness, we picked soft prints that would capture the beautiful sunrises and exquisite background of Monaco.’”

For the wedding ceremony, Bickley wore a loose tailored ensemble in soft hues of tangerine and lilac, chosen to mirror the glow of the Monaco sunrise. The look effortlessly blended grace with a statement of individuality.

For the rehearsal dinner, Anderson designed a floral print gown featuring rich pink blooms against a soft blue background, harmonizing beautifully with Monaco's coastal charm and creating an unforgettable presence.

Bickley's fashion choices garnered admiration from guests and fashion watchers alike, adding another memorable chapter to her ongoing influence in the world of elevated, expressive style.
