MAULDIN, SC, UNITED STATES, July 27, 2025 /EINPresswire.com/ -- SolVerus Academy, a leading faith-based early learning center with locations in Greenville and Mauldin, has been recognized as a 2025 Best of South Carolina winner. This distinction highlights the academy's ongoing commitment to providing a nurturing, values-driven educational environment where children don't just learn—they thrive.

SolVerus Academy specializes in early childhood education grounded in Christian values, designed to foster academic, spiritual, and personal growth for infants through Kindergarteners. With a curriculum that combines structured learning with hands-on experiences, ranging from science and Spanish to gardening and Bible lessons, the academy creates a unique space where young learners are guided in both knowledge and character development.

"Our mission is about more than just education," said Mauldin Campus Director Kerri Motes. "It's about loving each child well, teaching with purpose, and helping every student grow into their fullest potential—both in faith and learning. This award is a reflection of that daily dedication, not a finish line."
