Best Selling Author-Dr. Adrian D. Ware

Dr. Ware's journey serves as a powerful testament to his philosophy. After overcoming chronic depression and suicidal thoughts, he helps others break free from their trauma. At the age of 21, he returned from the brink of suicide, an experience he shares in his upcoming book, *How to Go from Trauma to Tremendous*. In this memoir, Dr. Ware presents universal principles for understanding and healing from the aftermath of trauma, including depression and setbacks, and discusses how to liberate oneself from their grip.

Drawing from extensive experience, Dr. Ware observes that trauma is often so profound that people define time and events as before and after the trauma, marking it as their point of demarcation. Trauma leaves an imprint on the soul and commands respect for its devastation.

Dr. Ware's coaching approach is built on the "Five Master Keys," which assist individuals in overcoming limiting beliefs and emotional turmoil, empowering them to reach their full potential.
