"Mike is a great guy! He has done a few installs at our home that came out better than we could have expected. He is very professional and will address all your concerns. His attention to detail is exceptional. Thank you for the great work and look forward to some upcoming project."

"We recently had to replace our panel ready GE Monogram refrigerator and freezer. While the new units were the same size, they were configured differently and our cabinet panels no longer fit. One company told us all new panels would have to be made and the old ones could not be used. Fortunately, we had Mike from LNMCM Enterprises come out for an estimate. Mike did a thorough evaluation and was confident he could take the existing panels and modify them to fit over the new units. He did! In less than a week, Mike installed the modified cabinet panels and they are perfect and beautiful! Mike did an outstanding job, saved us thousands, and was a pleasure to work with. We highly recommend Mike and his company!"

"I am extremely satisfied with the cabinet installation service provided by this company. The entire process was seamless and efficient, from the initial consultation to the final installation. The cabinets look amazing and have completely transformed my space. The attention to detail and craftsmanship were top-notch. I highly recommend this company for anyone looking for high-quality cabinet installation. 5 stars all the way! Thank you Mike and Liliana definitely recommend."
