

NSG NUCA Releases Soul-Stirring New Single, 'BETTER'

BINGHAMTON, NY, UNITED STATES, July 28, 2025 /EINPresswire.com/ -- With a voice that feels like solace, NSG NUCA releases his latest single, "BETTER." Built on soft piano tones, lush production, and soul-stirring vocals, the track creates a warm and comforting space for anyone facing hardship and searching for hope.

Released through Wealth Nation and Sony Music, "BETTER" is an emotional anthem for anyone who's ever had to hold it all together while the world falls apart. It's a stirring R&B record built on vulnerability, resilience, and heart.

"The lyrics are built around someone being the best version of themselves, even through the hardest battles," NSG NUCA explains.

"Better" captures the quiet storm of survival. The record tells the story of a father navigating heartbreak and hardship after his wife's departure. As a single father, he is left to raise his daughter while facing trials and tribulations, including eviction and financial uncertainty. He must figure out day by day how to survive, praying for a brighter tomorrow when things will get "BETTER."
