Pedalpalooza by Ride Krew coming to Lake Arrowhead in Southern California at Skypark at Santa's Village

This fall, skip the crowded pumpkin patches and head to the mountains for one of the most exciting family-friendly mountain biking events in Southern California. On Saturday, September 20, 2025, [Pedalpalooza](#) takes over [SkyPark](#) at Santa's Village for a full day of trail riding, pro-led skills clinics, outdoor games, and fall mountain fun, all in one of California's most scenic biking destinations.

We created Pedalpalooza so families could unplug, ride together, and connect. It's not just a festival... it's a memory-maker that helps kids feel strong and confident!"

Sean Bascom, President of Ride Krew

Hosted by Ride Krew, a nonprofit dedicated to building youth cycling programs across Southern California, Pedalpalooza is more than just a day in the mountains... it's a celebration of bikes, family, and community! Every ticket sold helps fund after-school rides, summer camps, and trail clinics that teach kids how to ride with skill and confidence.

□ A One-Day MTB Adventure for All Ages

Pedalpalooza is perfect for mountain bikers of every level — from first-timers to seasoned riders. Families can ride together, kids can join Learn-to-Ride sessions, or more experienced riders can tackle advanced skill zones and airbag jumps. Parents can choose to hop on a bike or simply relax in the fresh mountain air while their kids enjoy the action.

\$149 Saturday Pass Includes:

□ Full-day SkyPark access to trails, skill zones, and adventure activities

□ Pro-led skills clinics for beginners and advanced riders

□ Guided trail rides for all levels

□ Learn-to-Ride clinics for new riders

□ Airbag jump sessions

□ Outdoor fun like scavenger hunts, archery, axe throwing, ziplining, and aerial bike paths

□ Evening taco bar dinner + Disco Skate Night (dinner included for riders; extra tickets available for parents)

□ 10% off park food and drinks all day

□ Raffles, giveaways, and guest pro appearances

Fall Fun Beyond the Bike

Pedalpalooza is just as much about community as it is about riding. Families can gather for campfire hangouts, roast marshmallows, cheer on friends in skill competitions, or try something new like archery or axe throwing. And because it's just one day, it's easy to make it a quick mountain getaway without the overnight commitment.
