## About the Book:

*Courting the Fae Captain* plunges readers into a ruthless realm where survival demands cunning, courage, and forbidden alliances. Aeris Lockhart, a fierce fae alchemist desperate to escape her father's grip, is thrust into *The Rite*, a deadly contest where women battle for a lord's hand. Enter Raithe Windaire, the brooding Shadow Court Captain forced into the games to save his mother from his father's cruel reign. Neither wants a mate, but to survive, and to shatter the chains of their world, they must fight side by side, risking freedom, power, and their hearts. With fiery tropes like *Fated Mates*, *Feminine Rage*, and *Found Family*, this romantasy is perfect for fans of
