

LGBTQ HORROR-COMEDY FEATURE “ROAD HEAD” RE-EMERGES WITH FREESTYLE DIGITAL MEDIA

Sloppy Seconds for LGBTQ Horror-Comedy as it Once Again Hits Worldwide VOD Platforms and DVD on July 29, 2025

LOS ANGELES, CA, UNITED STATES, July 29, 2025 /EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Byron Allen's Allen Media Group, has just released the

“

I hope the audience is surprised by ROAD HEAD. The ridiculousness of the concept never faltered our determination. I hope the audience feels surprised by how much more they catch in the film.”

Director David Del Rio

LGBTQ horror-comedy ROAD HEAD. Initially released digitally back in June of 2021, ROAD HEAD is once again available to rent/own worldwide on digital HD internet, cable, and satellite platforms, as well as on DVD, starting July 29, 2025.

ROAD HEAD tells the story of three friends who take a road trip to the Mojave Desert where their complicated relationships are pushed to their breaking point as the group encounters a reclusive, murderous cult. Head on down the road with Bryan, Alex, and Stephanie, three “friends” navigating their complicated relationships on a

deserted highway. The stresses of their love lives soon take a back seat to a startling discovery they encounter at their destination: two disembodied heads lying in a dried-up lake. As they call for assistance, they are attacked by an armor-wearing “guardian of the desert” who wields a deadly sword. Stephanie, who is experiencing a “head trip” all her own, begins to develop a plan, even as their situation spins wildly out of control. With an audacious blending of blood and innuendo, this film weaves in and out of some shocking twists that will blow your mind and keep you electrified until the end.

Directed by David Del Rio, ROAD HEAD was written by Chloe Jade Skye and produced by Jon Paul Burkhart, David Gunning, Ramon Gramstad, and IVM Capital. The featured cast includes: Elizabeth Grullon ('Stephanie'), Damian Joseph Quinn ('Alex'), Clayton Farris ('Bryan'), Adam Nemet ('Executioner'), Paul T. Taylor ('Carl/Leader 1'), Misty Violet ('Felicity Fellatio Bones'), Clay Acker ('David'), Kevin Mouren-Laurens as ('Jared/Leader 2'), Schoen Hodges as ('Larry/Leader 3'), Sierra Santana as ('Jasmine'), and Ryan Sutton Stevens as ('Tyler').

"I hope the audience is surprised by ROAD HEAD," said director David Del Rio. "Not in what the film reveals as the 'twist' but working with audience's expectations of the story's foundations. The ridiculousness of the concept, starting with even the playful title ROAD HEAD, never faltered our determination to continue to ask the question 'what if?'. In the process, the crew and the committed cast had a real blast diving in. I hope the audience feels surprised by how much more they catch in the film."

Freestyle Digital Media negotiated the deal to acquire ROAD HEAD directly with the filmmakers.
