"We are thrilled to welcome Dr. Alharbi to the Sanctuary team," said Dr. Soheila Rostami, Founder and Medical Director at Sanctuary Cosmetic Center. "His advanced skill set, commitment to patient care, and dedication to surgical excellence perfectly align with our mission of delivering transformative and personalized results."

In addition to surgical procedures, Dr. Alharbi offers a full spectrum of non-surgical treatments including neuromodulators, dermal fillers, PRP therapy, and skin resurfacing. Patients benefit from fully customized treatment plans designed to enhance their individual features and goals.

Dr. Alharbi is also a respected educator and researcher. He teaches surgical residents and fellows at Inova Fairfax Hospital and previously served on faculty at the University of Florida.

His hospital affiliations include Inova Fairfax Hospital, Inova Loudoun Hospital, and Virginia Hospital Center. He is an active member of numerous prestigious professional societies, including the American College of Surgeons, American Academy of Facial Plastic and Reconstructive Surgery, American Academy of Cosmetic Surgery, and the American Association of Plastic Surgeons.
