Known for its skilled, honest, and friendly team, Keller Outdoors Living has earned a strong reputation within the Gainesville community, with glowing reviews from many satisfied clients. Below are just a few of the many positive testimonials from clients who were highly impressed by Keller Outdoors Living's communication and exceptional service:

"Keller Outdoors Living was hired to refresh an old deck that had structural and aesthetic concerns. They did a great job on a complex deck that has 2 levels on 2 sides of the house so a total of 4 levels. Mike (owner) did a great job with communication while sharing his knowledge and best practices—he kept me updated throughout the project and promptly addressed any questions while making me aware of issues. Felt he was honest while providing good guidance on how to accomplish our goals of having a strong structure that will last for a long time while looking great. The team paid good attention to detail and craftsmanship, felt like it was a good partnership to completion of the project."

"I was absolutely thrilled with the exceptional service I received while getting my screen room installed! The team was not only helpful and professional, but their attention to detail and high-quality work truly made me feel like I could trust them completely. I would wholeheartedly recommend them to anyone looking for outdoor living enhancements – they are simply fantastic!"

"Our deck was in bad shape after the storm in July. I found Keller Outdoors Living and I was genuinely impressed with my experience; the team demonstrated genuine politeness and warmth that instantly made me feel like I picked the right choice! Their responsiveness to my needs was remarkable, as they consistently maintained good communication throughout the entire process, addressing my questions with ease and enthusiasm. It felt like they truly went above and beyond to make sure every detail was taken care of, leaving me with a wonderful sense of satisfaction! I would highly recommend Mike and his team for any deck needs. They will get it done and do it right!!"

"I worked with Keller Outdoors Living to remove a deck that had seen a lot of years, and a lot of water. They worked with me on designing my new deck with extra care for the humid environment we live in by the lake. They were always willing to take phone calls, or meet onsite, to discuss slight changes or add-ons. I appreciated the flexibility and insight they gave me. The finished deck was exactly what I had hoped for. In a time when home improvement projects can be hit or miss with contractors, Mike and the team at Keller Outdoors Living gained my full trust and recommendation. You will be very happy if you choose their team to build or repair your deck."

The Keller Outdoors Living team consistently goes above and beyond to ensure outstanding deck project results for every client.
