Eagle Americas Partners with Gulf States Saw & Machine Co.

Headquartered in Hueytown, Alabama, Gulf States Saw & Machine Co. has been serving professional fabricators since 1992. As a family-owned and operated business, the company is well known for its deep industry expertise, outstanding customer service, and comprehensive offering of structural fabrication machinery. With a catalog of over 50,000 products, Gulf States provides full-spectrum support - from everyday supply needs to major machinery investments.

Now representing Eagle, Gulf States Saw & Machine Co. brings added value to its customers through the highest-performing [fiber laser](#) cutting machines and automation systems, designed to meet the demands of modern fabrication.

"Gulf States Saw & Machine Co. has built a strong reputation for reliability, technical knowledge, and long-standing customer relationships," said Chad Jackson, CEO of Eagle Americas Corp. "Their dedication to quality and regional expertise makes them a powerful addition to our team. We're excited to partner with them and expand access to Eagle technology throughout the American Southeast."
