

CONEXUS supports International Friendship day with Free Connection Events

ALEXANDRIA, VA, UNITED STATES, July 30, 2025 /EINPresswire.com/ -- CONEXUS by Perdata.ai Celebrates International Friendship Day with Free Friendship Events July 30 - August 3, 2025

CONEXUS by Perdata.ai is proud to announce its support for International Friendship Day on August 3, 2025. To commemorate this special day created by the United Nations, CONEXUS allows free friendship events to help bring people together to nurture meaningful relationships and foster a sense of community.

International Friendship Day is a global celebration that recognizes the importance of friendships in our lives.

CONEXUS by Perdata.ai is committed to creating platforms that facilitate connections and friendships. These free events will provide opportunities for people to meet new friends, strengthen existing bonds, and engage in activities that promote social connections.

"We believe that friendships are essential to our well-being and happiness," said Pete O'Dell, CEO of Perdata.ai. "By enabling these friendship events, we aim to bring people together and celebrate the power of friendships."

"In a world where digital noise is everywhere, the most meaningful connections still happen face to face," said Johan Wikman, CTO at Perdata.ai. "With Conexus, we're not trying to replace real interaction with tech, we're using technology to make those moments easier to find. That's where the real impact lives."
