

Jeff Kagan is honored to be named 5G Ambassador for Thinkers360

Industry Analyst, Columnist, Influencer Jeff Kagan shares industry insight and comment

ATLANTA, GA, UNITED STATES, July 29, 2025 /EINPresswire.com/ -- Renowned Industry Analyst, Columnist, and Tech Influencer Jeff Kagan today announced his appointment as a [5G](#)

“

I am honored to serve as a 5G Ambassador for Thinkers360. 5G, 6G, wireless, AI, and other communications technology are rapidly reshaping industries and our daily lives.”

Jeff KAGAN

Ambassador for [Thinkers360](#), the world's premier expert and AI marketplace for B2B thought leaders, analysts, and influencers.

This new role solidifies Kagan's commitment to sharing critical insights and fostering discussion around the transformative power of 5G technology.

Jeff Kagan offers comment and perspective on news, companies including 5G – 6G - AI - [Wireless](#) – Telecom – Communications Technology - Private Wireless - Wireless Broadband - WI-Fi - 5G Advanced - 5G-A - Pay TV -

Streaming - Cable TV - IoT - FWA - 5G Home Internet - Broadband - Satellite Broadband - Robotics - Telecom TV - Web 3.0 - Cloud - VoIP - Connected Mobility - Privacy - Smart House - Consumer Electronics and more!

Thinkers360 is a leading platform that connects B2B companies with a vast network of industry experts, including academics, advisors, analysts, authors, consultants, entrepreneurs, executives, and speakers.

Unlike traditional social media platforms, Thinkers360 emphasizes the depth of an individual's expertise, the quality of their content, and their authentic influence within specific industries.

It empowers thought leaders to build, amplify, and monetize their professional brands, while providing enterprise brands, organizations, and startups with powerful tools to find and collaborate with the world's foremost B2B thought leaders, as well as amplifying their own executives and content.

"I am honored to serve as a 5G Ambassador for Thinkers360," said Jeff Kagan. "5G, AI, and other

communications technology are rapidly reshaping industries and our daily lives, and I am passionate about providing clear, insightful analysis on their evolution and impact. Thinkers360 offers an unparalleled platform to connect with a global community of experts and decision-makers, and I look forward to contributing to the ongoing dialogue."

As a 5G Ambassador, Kagan will play a pivotal role in highlighting key trends, challenges, and opportunities within the 5G ecosystem through articles, analyses, and engagement with the Thinkers360 community.

His expertise in wireless, telecom, AI, IoT, and other cutting-edge technologies aligns perfectly with Thinkers360's mission to provide authoritative and valuable content.
