

Extraordinary Conceptions Launches Low-Cost Cross-Border Surrogacy Program with Top U.S. IVF Clinics

Their Cross-Border Embryo Program aims to make parenthood more accessible through ethical, affordable, and supportive surrogacy services in Latin America.

CARLSBAD, CA, UNITED STATES, July 30, 2025 /EINPresswire.com/ --

Extraordinary Conceptions, a leading international surrogacy and egg donation agency, proudly announces the launch of its new Cross-Border Embryo Program, a strategic and [affordable surrogacy](#) solution that bridges top-tier IVF services in the United States or Canada with compassionate and low cost surrogacy journeys in Mexico or Colombia.

Designed for intended parents seeking high-quality care at a lower cost, this program offers a seamless experience that combines the medical excellence of North American fertility clinics with the legal clarity and affordability of surrogacy in Latin America.

“We created this program for families who want the peace of mind that comes with creating embryos in the U.S., while making the rest of the journey more financially accessible,” said Mario Caballero, CEO of

Extraordinary Conceptions. "It's the perfect balance between world-class care and real-world affordability."

About the Program:

The Cross-Border Embryo Program begins with IVF and egg donation in the United States or Canada, partnering with some of the most reputable fertility clinics in the world. Once embryos are created, they are securely shipped, via certified medical couriers to trusted partner clinics in Mexico or Colombia, where the embryo transfer and surrogate pregnancy take place.

This approach offers families:

- Lower overall costs without compromising medical standards
- Legal frameworks that protect all parties involved
- Shorter wait times for embryo transfer
- Dedicated multilingual concierge support throughout the process

Why do intended parents choose the cross-border program?

- Trusted U.S./Canada IVF clinics for embryo creation
- Surrogacy journey continues in affordable, legally supported destinations
- All logistics, from shipping to legal processes, are handled by EC's international team
- VIP coordination and emotional support in 7+ languages
- A more accessible, efficient, and empowering path to parenthood
