NYC Second Chance Rescue Sets the Stage for August 8th Hamptons Gala with Intimate Summer Celebration

The intimate gathering served as a prelude to the nonprofit's highly anticipated August 8th Hamptons Gala, offering guests an opportunity to connect with the cause and one another in one of the East End's most vibrant venues. Nestled in the heart of Southampton, the Social Club's lush garden setting and relaxed yet sophisticated vibe provided the perfect backdrop for an evening dedicated to second chances—for animals and humans alike.

About NYC Second Chance Rescue:
NYC Second Chance Rescue is a 501(c)(3) nonprofit organization that was founded in 2009. With the generous contributions of their dedicated community of donors and supporters, they have successfully saved over 16,000 lives from an unimaginable fate. The primary focus of NYC Second Chance Rescue is on large breed dogs and animals in need of critical, life-saving care, as these two categories represent the majority of euthanasia's in the United States. Nine out of ten animals that enter NYC Second Chance Rescue were initially slated for euthanasia at municipal shelters. Through their foster care system and brick-and-mortar shelter, they provide comprehensive medical care and a nurturing, secure sanctuary for all pets.
