

Connect Airport Transfers Recognized for Exceptional Service by Tripadvisor

Tripadvisor names "Connect Airport Transfers" a global top-10 travel service for comfort, safety & customer satisfaction.

WHISTLER, CANADA, July 31, 2025 /EINPresswire.com/ -- [Connect Airport Transfers](#) has received a 2025 [Tripadvisor](#) Travelers' Choice Award, recognizing the company as a top provider of high-quality and dependable private ground transportation between Vancouver International Airport (YVR) and Whistler, BC.

This adventure-ready operator is the only transfer service that can provide true 4WD and AWD Mercedes-Benz vans for up to eight passengers - ideal for families, ski groups, mountain bikers and travelers with equipment or other gear.

"This award reflects our focus on intentional, high-quality travel," said Michael Bruce, owner and founder of Connect Airport Transfers. "A privately chartered AWD and 4WD van, equipped with winter-rated tires and the ability to travel in bus lanes, enhances client safety and efficiency on the road year-round."

Why This Service Stands Apart

Connect Airport Transfers provides Mercedes-Benz Sprinter vans with true 4WD or AWD, and premium all-terrain winter tires - which allows for true dependability on snow and ice. Our vans will comfortably hold eight passengers plus their skis, bikes, golf clubs, and luggage, without having to compromise on any of your gear.

With access to the bus lane on the Sea-to-Sky Highway, Connect Airport Transfers saves passengers up to 30 minutes compared to black SUVs, which can be more valuable as time is spent enjoying Whistler and not in the car!

"We generally book luxury SUVs, but it was refreshing to try Connect," said one family who booked. "The added space was a life-saver after disembarking a long flight - we easily fit 3 sets of golf clubs and our bikes! The bonus was easily beating traffic via the bus lane!"

Connect offers door-to-door service every day of the year, including pick-up inside the terminal together with real-time tracking of your flight and local Whistler-based drivers fully acquainted with mountain roads and local weather conditions. No ridesharing, no waiting, focused on your schedule.

"We are not just drivers, we're part of the Whistler community," said an agent. "We know the roads, conditions, and what it's like to be on time."

Award Recognition Driven by Guest Love
