□ Summary of Recognition

- Awarded Best Neurosurgeon in India
- Recognized as Best Spine Surgeon in India
- Honored for expertise in Minimally Invasive and Endovascular Neurosurgery
- Felicitation presented by actress Mahima Chaudhry at the Grand Hyatt, Gurgaon
- Represented Dr. Rao's Hospital, Guntur, Andhra Pradesh

"It is a profound honor to be recognized on such a national stage. My vision at Dr. Rao's Hospital has always been to offer cutting-edge, compassionate, and minimally invasive brain and spine care to every patient—regardless of their background," said Dr. Mohana Rao Patibandla. "This recognition reinforces our mission and commitment to advance neurosurgical care in India."

Leading the Future of Brain and Spine Care

Dr. Rao's Hospital, founded and led by Dr. Patibandla, is India's first independent super-specialty center for advanced brain, spine, and nerve care. Based in Guntur, Andhra Pradesh, the hospital has performed over 12,000 minimally invasive surgeries, pioneering procedures like:

- Endoscopic spine and brain surgery
- Endovascular neurosurgery
- Brainpath surgery for deep-seated tumors
- Intraoperative Neuromonitoring (IONM)

Dr. Patibandla's training from leading institutions in the USA—Ohio, Virginia, and Colorado—has set global benchmarks in India. His specialized skills have transformed outcomes for patients with complex brain tumors, vascular disorders, and spinal pathologies.

“

It is a profound honor to be recognized on such a national stage. My vision is to offer compassionate and minimally invasive brain and spine care to every patient—regardless of their background”

About ET Health Conclave 2025

The ET Health Conclave, an annual flagship healthcare event by The Times of India, spotlights healthcare excellence across clinical practice, innovation, and leadership. The 2025 edition featured high-profile fireside chats, panel discussions, and the highly anticipated 'ET Health Awards' ceremony.

The event hosted India's top clinicians, wellness experts, and decision-makers. Notable topics included genomics, mental health, AI in medicine, and wellness innovation.

His commitment to precision, compassionate care, and academic contributions have placed him at the pinnacle of Indian neurosurgery. Dr. Patibandla is also a leading educator and global speaker on topics such as Endoscopic Transnasal Odontoidectomy and IONM in Spine Surgery.

About Dr. Rao's Hospital

Located in Guntur, Andhra Pradesh, Dr. Rao's Hospital is a premier center of excellence in brain, spine, and nerve surgery, known for its state-of-the-art infrastructure and expert team.
