

Retro Palais by Yasmin Aryas Wins Silver in A' Interior Design Awards

Yasmin Aryas Receives International Recognition for Outstanding Interior Design Project in Istanbul

COMO, CO, ITALY, July 31, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced [Yasmin Aryas](#) as a Silver winner for her exceptional work, Retro Palais, in the Interior Space and Exhibition Design category. This prestigious accolade highlights the significance of Retro Palais within the interior design industry, positioning it as a noteworthy and innovative project that showcases the designer's expertise and creativity.

Retro Palais stands as a testament to the power of interior design to blend historical context with modern functionality, creating a space that resonates with both the building's rich heritage and the needs of contemporary living. This award-winning project demonstrates the relevance of thoughtful, context-sensitive design in today's interior industry, setting a standard for how designers can successfully navigate the challenges of merging past and present in historically significant spaces.

Situated within a historic Italian hotel building in the heart of old Istanbul, Retro Palais masterfully preserves the structure's architectural integrity while introducing clean lines, open spaces, and modern design elements. The project's focal point, a serene courtyard anchored by a majestic magnolia tree, serves as a source of inspiration and tranquility, informing the overall design concept. Through a meticulous selection of materials, colors, and patterns, Yasmin Aryas has crafted an interior that evokes a sense of nostalgia while embracing the comforts and sophistication of modern life.

AWARD WINNING DESIGN
SILVER A' DESIGN AWARD

2025

Retro Palais

The recognition bestowed upon Retro Palais by the A' Interior Space, Retail and Exhibition Design Award serves as a catalyst for Yasmin Aryas Interiors to continue pushing the boundaries of interior design. This achievement not only validates the studio's approach to creating emotionally resonant and contextually grounded spaces but also inspires the team to further explore the harmonious fusion of historical elements with contemporary design principles in future projects.

Retro Palais was designed by Yasmin Aryas, who led the project and oversaw its creative direction and execution.

About Yasmin Aryas

With a background in business administration and professional experience in IT and budget planning, Yasmin Aryas transitioned into interior design, building on a long-standing interest in drawing, mathematics, and spatial aesthetics. After gaining initial experience through personal projects, she began working on residential interiors by request. This led to the establishment of Yasmin Aryas Interiors, a practice focused on interior design and spatial transformation. Self-educated through architectural courses and hands-on work, Yasmin Aryas combines creative design with analytical thinking to develop functional interior spaces.

About Yasmin Aryas Interiors

Yasmin Aryas is an interior designer whose work focuses on creating spaces that are emotionally resonant and contextually grounded. Her approach is shaped by a sensitivity to natural materials, spatial composition, and local identity. With a design philosophy centered on harmony and material honesty, she develops residential and commercial interiors that prioritize both functionality and atmosphere. Her practice reflects an understanding of aesthetics informed by a respect for history, place, and personal expression. Through each project, Yasmin Aryas seeks to create environments that are thoughtful, balanced, and enduring.

About Silver A' Design Award

The Silver A' Design Award recognizes notable designs that demonstrate excellence and innovation in the field of interior space and exhibition design. Recipients are acknowledged for their significant contributions to advancing industry standards and practices through their creative vision and technical proficiency. The rigorous selection process involves blind peer review by an expert jury panel, who evaluate entries based on criteria such as innovative use of space, material selection, functionality, aesthetic appeal, and sustainability. Winning the Silver A' Design Award is a mark of distinction, signifying a designer's exceptional skill and impact within the competitive interior design industry.

About A' Design Award

The A' Interior Space, Retail and Exhibition Design Award is an esteemed international competition that celebrates excellence and innovation in interior design. Established in 2008, the award welcomes submissions from a diverse array of talented individuals and organizations, including leading designers, agencies, companies, and brands. Through a rigorous blind peer-review process, entries are evaluated by an expert jury panel based on pre-established criteria, ensuring an impartial and thorough assessment of each project's merits. By participating in the A' Design Award, entrants gain global recognition for their outstanding achievements and contribute to advancing the interior design industry as a whole. Ultimately, the A' Design Award aims to promote superior design that positively impacts society, driving inspiration and progress across the field.
