QPAU proudly joins hands with Toys for Tots as a National Sponsor.

In a world that often moves too fast, QPAU dares to pause. This family-first brand is on a mission to make everyday moments unforgettable — not with grand gestures, but with a simple, joyful philosophy: inflate happiness, everywhere you go.

“

Our inflatables are more than toys—they're joyful spaces where love grows, laughter spreads, and lifelong memories begin.”

QPAU Founder & CEO

From sunny backyards to peaceful beaches, QPAU's line of inflatable toys and family gear has become a symbol of shared laughter and genuine connection. Now, as a proud National Sponsor of Toys for Tots, QPAU is taking that joy even further — turning fun into a force for good.

A Mobile Playground for Modern Families

QPAU isn't just a toy company. It's a mobile playground, created for families who crave more quality time and less complication. Every product is designed to be portable, intuitive, and full of delight — from inflatable bouncy dinos to kids air beds to punching bags that make rainy-day energy burn fun for everyone.

“Our products are more than just inflatables,” says the brand's founder. “They're vessels of love. Every time a family gathers around one of our products, a memory is made. That's what drives

us — designing joy, one inflation at a time.”

With a presence in over 2 million homes worldwide, QPAU is fast becoming a favorite among parents, grandparents, and anyone who believes that childhood should be filled with laughter, not screens.
