

# RevITek Announces New Product Launch with America's Christian Credit Union

*Providing Credit Union Members with Low-Cost Education Finance Options*

GALVESTON, TX, UNITED STATES,  
August 5, 2025 /EINPresswire.com/ --

[RevITek](#) announced today it has launched a new Private Line of Credit Loan program for [America's Christian Credit Union](#) of Glendora, CA, and its members. Colleging leverages its proprietary technology and industry experience to create products as individual as each credit union.

Leveraging its proprietary technology and deep industry expertise, RevITek develops tailored financial products designed to meet the unique needs of each credit union. Through its education-focused marketplace, Colleging, RevITek partners with colleges and universities to deliver a best-in-class network of private student loan products through its credit union partners.

"Here we grow again! America's Christian Credit Union (ACCU), in partnership with RevITek, is proud to introduce a new Line of Credit loan product, giving members a streamlined way to finance their education with a single application," said Tim Kulesha, COO at RevITek. "We're honored to support this new offering for all colleges that work with ACCU and its full suite of private student loan solutions — now available through our Colleging marketplace."

"Meeting our members' financial needs at every stage of life is our top priority," said Vicki VannBerstein, CEO of America's Christian Credit Union. "It is a joy to help so many in our community save money by capitalizing on better rates and terms for their student loans."
