

LYNYRD SKYNYRD Releases 'Saturday Night Special' Featuring Marcus King - Live at The Ryman

In addition to a new live album and DVD recorded at Nashville's historic Ryman Auditorium, the legendary band kicks off their North American tour on August 1st.

NASHVILLE, TN, UNITED STATES, July 31, 2025 /EINPresswire.com/ -- Southern rock icons Lynyrd Skynyrd has just released the music video for "[Saturday Night Special](#)" featuring Marcus King. The track is the latest release from the band's new project, "[Celebrating 50 Years - Live At The Ryman](#)" (Frontiers Music SRL) - available now on 2CD/DVD, Blu-Ray or a double LP.

A celebration of the southern sound that changed rock forever, the live album and DVD spectacularly captures Lynyrd Skynyrd's historic 50th-anniversary concert at Nashville's historic Ryman Auditorium and features features the final performance of founding member Gary Rossington, who passed away less than five months later.

The new album showcases the band's unparalleled energy and their signature blend of blues rock and Southern hard rock swagger and stands as a celebration of Lynyrd Skynyrd's lasting legacy in music history, filled with iconic hits such as "Freebird," "Sweet Home Alabama," "Simple Man," and so many more. In addition to King, the new album also features guest appearances by Jelly Roll, John Osborne (The Brothers Osborne), Brent Smith (Shinedown), and Donnie Van Zant (Van Zant & .38 Special).

The band completed a European tour earlier this month, and will kick off a North American tour on August 1st which runs through the fall.

With over 28 million records sold in the U.S. and a sound as iconic as the American culture it celebrates, Lynyrd Skynyrd continues to inspire fans of all ages while embodying the very soul of Southern rock. From their humble Jacksonville beginnings, through tragedy, reunion, and redemption, the band has earned its place on Rolling Stone's list of the "100 Greatest Artists of All Time" – as well as a prominent spot in the hearts of generations.
