BIRMINGHAM, AL, UNITED STATES, July 31, 2025 /EINPresswire.com/ -- [Cory Watson](#) Attorneys is proud to welcome Nicole LeMier as the newest Associate Attorney to join the firm's esteemed legal team.

Nicole brings a wealth of knowledge and a steadfast commitment to advocacy, with a career that began in the legal field as a paralegal. Her hands-on experience laid the foundation for her success as a litigator and advocate for those who need a strong voice in times of uncertainty. Her passion for helping others and her approachable nature make her a perfect fit for Cory Watson's client-first culture.

Originally from Haleyville, Alabama, Nicole is deeply rooted in her small-town values and brings those principles into every client relationship. She earned her J.D. cum laude from Cumberland School of Law at Samford University, where she was recognized for her academic excellence and courtroom talent—receiving the award for Best Oral Advocate at the Domenick L. Gabrielli National Family Law Moot Court Competition.

"Being a personal injury attorney is about more than just results," Nicole says. "It's about making people feel seen, heard, and supported. I want clients to feel comfortable coming to me for help when they need it most."

Nicole and her husband live in the Birmingham area, where they are raising two energetic boys. When she's not advocating for clients, she's cheering on the Alabama Crimson Tide or enjoying the outdoors with her family—often accompanied by their dog and a coop full of chickens.
