

Spectruth DAO Launches Ambassador Program to Empower Community and Accelerate Mental Health Innovation

New initiative offers passionate supporters a chance to earn \$SPEC tokens, gain exclusive access, and help shape the future of decentralized PTSD care

KYIV, KYIV OBLAST, UKRAINE, August 1, 2025 /EINPresswire.com/ -- [Spectruth DAO](https://SpectruthDAO.com), a pioneering decentralized autonomous organization focused on advancing precision healing for PTSD and trauma through innovative ibogaine therapy and data-driven science, is excited to announce the official launch of its Ambassador Program. This new program invites passionate, driven individuals from around the world to join the movement in transforming mental health care, earn rewards, and directly contribute to Spectruth's groundbreaking initiatives.

Spectruth DAO

Designed for creators, connectors, community builders, and dedicated advocates aligned with Spectruth's mission, the Ambassador Program provides participants with unique opportunities to engage closely with the core team, access early updates, and play a vital role in expanding decentralized trauma healing efforts globally.

Key benefits for Spectruth Ambassadors include:

Earning \$SPEC tokens by actively supporting and promoting Spectruth's vision and work

Direct interaction with the founding team and insider access to critical developments

Early alpha information on major product launches, research breakthroughs, and community initiatives

A meaningful role in building a transparent, inclusive movement driving innovation in PTSD care through decentralized science

James [Holz](#), Spectruth DAO's founder, said, "Our Ambassador Program is more than a community engagement tool—it's a launchpad for changemakers passionate [about](#) transforming mental health care. We invite anyone eager to make a real-world impact to join us, share knowledge, spread the word, and help build sustainable solutions for trauma survivors worldwide."
