

GulfTech IT Announces Successful Partner Buyout, Positioning for Strategic Growth and Innovation

TAMPA, FL, UNITED STATES, August 1, 2025 /EINPresswire.com/ -- Tampa-based telecommunications company, [GulfTech IT](#) (GulfTech), today announced that it has acquired the equity stake in GulfTech on July 3, 2025 previously held by a majority partner Bryan Kummer. The partner buyout is a strategic move for GulfTech that opens new avenues of growth and innovation for the company in the hosted business communications industry.

GulfTech is a leading provider of [phone systems](#) and [corporate telecommunications](#) solutions including network design, disaster recovery, hosted communications, advanced call centers, internet broadband and fiber solutions as well as equipment and accessories across the state of Florida.

"The acquisition is an important milestone for GulfTech's future that will accelerate the company's strategic initiatives and streamline decision-making processes benefitting our customers and partners," says Kevin Cox, co-founder and president of GulfTech IT. "At the same time, I would like to acknowledge Bryan Kummer's years of dedication to the company, and thank him for his leadership, mentorship and friendship over the years wishing him success in his future endeavors."

GulfTech is dedicated to customer service excellence with its 24/7 technical support and the highest quality of telecommunications solutions and product offerings. For more information about GulfTech IT and its complete suite of business communications solutions, phone systems and products, visit <https://gulftech.tech/> or call (855) 831-TECH.

About GulfTech IT
