

First Fully Approved Medical Cannabis Dispensary to Host Patient Drive Event on August 9, 2025, in Beaver Dam, KY

The Post Dispensary, the first fully approved medical cannabis dispensary in Kentucky, is hosting a Patient Drive Event on August 9th in Beaver Dam, KY.

BEAVER DAM, KY, UNITED STATES, August 4, 2025 /EINPresswire.com/ --

[The Post Dispensary](#), the first fully approved medical cannabis dispensary in the State of Kentucky, is thrilled to announce its upcoming [Patient Drive Event](#) on Saturday, August 9, 2025, from 10:00 AM to 3:00 PM at its location at 300 N Main St., Beaver Dam, Kentucky 42320. This community-focused event aims to educate, empower, and connect patients with the resources they need to explore medical cannabis as a safe and effective treatment option. As Kentucky's medical cannabis program continues to expand, The Post Dispensary is dedicated to ensuring that patients in Beaver Dam and surrounding areas have access to the information and support necessary to improve their quality of life. The Patient Drive Event is designed to bridge the gap between patients, healthcare providers, and the medical cannabis community, fostering an environment of education, compassion, and accessibility.

THE POST
DISPENSARY

The First Fully Approved Medical Cannabis Dispensary in Kentucky

EVENT HIGHLIGHTS

The Patient Drive Event will offer a comprehensive range of activities and services tailored to both new and existing medical cannabis patients. Attendees can expect:

- **\$99 Patient Evaluations:** Meet with a medical professional in a confidential setting who can evaluate you onsite for a [medical cannabis card](#). Bring your medical records and identification for a smoother experience. These consultations are designed to provide personalized insights and ensure patients feel confident in their treatment options and medical cannabis card application process.
- **Meet one-on-one with Professionals:** Registered healthcare providers and industry experts will be available to answer questions about medical cannabis, discuss qualifying conditions under Kentucky's medical cannabis program, and guide patients through the process of obtaining a

medical cannabis card.

- **Meet The Post Dispensary:** Representatives from The Post Dispensary's knowledgeable staff will be on hand to discuss their carefully curated selection of medical cannabis products, including tinctures, edibles, topicals, and flower. Attendees will learn about the dispensary's commitment to quality, safety, and transparency, with all products sourced from trusted, state-licensed cultivators and manufacturers.
- **Community Engagement:** The event will feature a welcoming, community-oriented atmosphere with opportunities to connect with other patients and advocates.

A COMMITMENT TO PATIENT-CENTERED CARE

The Post Dispensary is the first fully approved dispensary in Kentucky and is proud to serve the Beaver Dam community and beyond, offering a safe and welcoming space for patients to explore medical cannabis as part of their wellness journey. "Our mission is to provide compassionate care and empower our patients with the knowledge and resources they need to make informed decisions about their health," said Trip Hoffman with The Post Dispensary. "This Patient Drive Event is a reflection of our commitment to accessibility, education, and community engagement. We're excited to connect with both new and returning patients and help them navigate the benefits of medical cannabis."

Kentucky's medical cannabis program, legalized in 2023, has opened doors for patients seeking alternative treatments for a range of qualifying conditions, including chronic pain, PTSD, multiple sclerosis, and more. However, many individuals remain unaware of how to access these services or are hesitant due to stigma or lack of information. The Post Dispensary's Patient Drive Event aims to address these barriers by providing a supportive environment where patients can learn, ask questions, and take the first steps toward incorporating medical cannabis into their care plans.

WHY ATTEND?

The Patient Drive Event is an opportunity for community members to:

- Consult with registered medical professionals
- Connect with staff in a relaxed, no-pressure setting, to gain a deeper understanding of medical cannabis and its potential benefits.
- Learn about the legal and medical requirements for participating in Kentucky's medical cannabis program.
- Discover The Post Dispensary's patient-first approach, which prioritizes quality, safety, and individualized care.

The event is free to attend and open to the public. Interested individuals are encouraged to sign up for the Patient Drive Event online at Eventbrite.

ABOUT THE POST DISPENSARY

Located at 300 N Main St., Beaver Dam, KY 42320, The Post Dispensary is the first fully approved medical cannabis dispensary in the State of Kentucky and a trusted provider of medical cannabis products. With a focus on patient education, quality assurance, and community outreach, the dispensary is dedicated to helping patients achieve better health outcomes through safe and effective medical cannabis treatments. The Post Dispensary operates in full compliance with Kentucky's medical cannabis regulations and partners with licensed cannabis businesses to offer a diverse range of high-quality products tailored to patients' needs.

MEDIA OPPORTUNITIES

Media representatives are invited to attend the Patient Drive Event to cover this significant community initiative. Interviews with dispensary staff, healthcare professionals, and patients (with consent) can be arranged. For press inquiries or to schedule an interview, please contact The Post Dispensary at info@growball.net.
