

ELFIGO 247 Expands Emergency Roadside Assistance Program to All PMA Users in Singapore

ELFIGO launches 24/7 roadside aid for all PMA users in SG—support available even if your device wasn't bought from them.

SINGAPORE, SINGAPORE, August 5, 2025 /EINPresswire.com/ -- [ELFIGO Mobility](#), Singapore's leading distributor of personal mobility aids (PMAs) such as [electric wheelchairs](#) and [mobility scooters](#), announced today that its innovative 24/7 emergency roadside assistance service, ELFIGO 247, is now available to all PMA users in Singapore—regardless of where their device was purchased.

Previously limited to ELFIGO customers during its launch phase, the program has now been expanded in response to growing public interest and confidence in the service.

ELFIGO Company Logo

"ELFIGO 247 was always intended to be a nation-wide program," said Warren Chew, Managing Director of ELFIGO Mobility. "We restricted it to our own user base for the first two months solely because we wanted to be cautious and make sure we worked out all the operational kinks within our own ecosystem before rolling it out on a larger scale."

Scope of Service

For an annual subscription of S\$97, ELFIGO 247 covers:

Island-wide emergency towing of PMAs (electric wheelchairs and mobility scooters)

24/7 availability, including weekends and public holidays

Towing to ELFIGO's service centre (for PMAs purchased from ELFIGO)

Towing to the subscriber's residence (for PMAs not purchased from ELFIGO)

Option to request diagnosis and repair at additional cost

This expansion marks a major milestone in ELFIGO Mobility's mission to improve freedom and independence for PMA users across Singapore.
