

EVNNE Releases their 5th Mini Album LOVE ANECDOTE(S)

NEW YORK, NY, UNITED STATES, August 4, 2025 /EINPresswire.com/ -- Jellyfish Entertainment's group [EVNNE](#) has released their second mini album of 2025, their fifth mini album, LOVE ANECDOTE(S). This album comes ahead of their SET N GO tour that has recently expanded from Asia to both the U.S. and Europe in the latter half of 2025.

"We tried working on various genres to show how much we have matured so far through [LOVE ANECDOTE(S)]. I hope you give much love and support to the new side of EVNNE that hasn't been shared yet!" - MUN JUNGHYUN, member of EVNNE

LOVE ANECDOTE(S) looks at love's beginning through EVNNE's unique views. Since their debut and through most of their promotion periods, EVNNE has developed their troublemaking rascals image, specifically showcasing their own passion and youthful energy with each release. Now, through their fifth mini album, the EVNNE members are showing a more refined visual and sound to show how they have grown since their debut and in general, while still staying true to their overall image.

The mini album includes six new songs:

“dirtybop,” “How Can I Do,” “Mako,” “love chat,” “PUT IT ON ME,” and “Newest.” The title track of the mini album is “How Can I Do.” It is a hip-hop track that plays upon EVNNE’s unique set of relaxed, yet confident charms and takes a witty spin on the members’ desires to lead in love through their unique methods. The music video portrays each of the members of EVNNE with a particular object that represents themselves, and with that object subtly portraying one of the album’s themes of ‘flirting.’ Another standout track is the last on LOVE ANECDOTE(S), “Newest.” The group’s leader, KEITA, participated in the writing of this track and worked hard to ensure that EVNNE’s identity of continuously growing and working on the expansion of their artistry and charms.
