

Financial Advisor Training Institute Fast-Tracks Licensing Pipeline to Meet Growing Industry Demand

With over 300,000 financial advisors retiring in the next decade, the US faces a growing talent gap in one of its most critical industries. FATI is stepping up.

DETROIT, MI, UNITED STATES, August 4, 2025 /EINPresswire.com/ -- [The Financial Advisor Training Institute \(FATI\)](#) has launched a national initiative to fast-track the licensing and placement of new financial advisors—addressing an urgent shortage across the financial services industry.

With over 300,000 financial advisors projected to retire in the next decade, the U.S. faces a growing talent gap in one of its most critical industries. FATI, a 501(c)(3) nonprofit organization, is stepping up to meet this need through [a 14-week, 100% online program that prepares individuals to become licensed](#), job-ready financial advisors.

“Our mission is to help Americans find rewarding careers in finance while supporting the industry’s need for qualified professionals,” said Terry, Executive at FATI.

[The program](#) includes comprehensive preparation for the Securities Industry Essentials (SIE), Series 7, and Series 66 exams, as well as career coaching and guaranteed job placement assistance. No prior finance background or degree is required.

FATI partners with over 150 financial firms nationwide to ensure graduates are placed into meaningful, high-earning roles quickly and effectively.
