Pulse of the City News prides itself on honoring businesses and professionals in the construction and real estate industries such as these that provide an excellent customer experience.

What sets the Pulse Award apart is the research behind it. Pulse uses a database of performance information that has been compiled on an ongoing basis since 2009. Then, by determining an annual rating for companies, Pulse offers a level of stability that tells the whole story, not just what the company did last week. The Pulse Award is reserved for those earning the highest ratings of 4 or 5 stars.
