

Eagle Americas Corp. Partners with Bayou Machinery to Expand Coverage in the Southeast

Eagle Americas grows its U.S. presence through a new partnership with Bayou Machinery in the Southeast.

CHICAGO, IL, UNITED STATES, August 5, 2025 /EINPresswire.com/ -- [Eagle](#) Americas Corp. is pleased to announce its new partnership with Bayou Machinery, expanding its agent network to serve manufacturers across the Southeastern United States. Based in Lafayette, Louisiana, Bayou Machinery was founded in 2018 by John Bonvillian with the goal of helping manufacturers find the right solutions

to get the job done. With over 40 years of combined experience as both operators and consultants, the Bayou team is known for its hands-on approach - supporting clients with machine selection, installation, rigging, training, and service. Their 100,000 sq. ft. facility, the largest CNC machinery storage space in the South, offers full demo capabilities for a wide range of equipment.

Now representing Eagle [fiber laser](#) and automation systems, Bayou Machinery adds cutting-edge [laser technology](#) to its offering, helping regional manufacturers enhance speed, precision, and overall productivity.

"Bayou Machinery's commitment to service, deep technical knowledge, and strong local presence make them a natural fit for our growing U.S. network," said Chad Jackson, CEO of Eagle Americas Corp. "We're proud to welcome them as our partner in the Southeast and look forward to delivering even more value to customers in the region."
