"We are passionate about making DentistNearMeReviews.com the most trusted dental directory in the country," said Kathy Jiamboi, founder of DentistNearMeReviews.com. "Patients deserve easy access to reliable information when choosing a dentist, and dental practices deserve tools that boost visibility and build trust with their community. Beyond that, we want to elevate awareness nationwide that good oral health is vital to overall well-being — and that starts with regular visits to the dentist."

New Website Features Include:

For Patients: Search by location, [access oral health education](#), and read dentist reviews.□

For Dentists: [Free basic listings](#) plus enhanced options with custom profiles, real-time review feeds, visibility across larger service areas, and promotional tools to reach more patients.□

For Communities: A growing library of educational content designed to highlight why oral health matters and encourage regular dental visits.□

Our mission is simple:
connect people with trusted
dentists and remind
everyone that oral health is
essential to overall health."
