

Calculated Construction Completes Warehouse Project for Ideal Ready Mix, of the Rasmussen Group, in Ottumwa, Iowa

WEST DES MOINES, IA, UNITED STATES, August 5, 2025 /EINPresswire.com/ -- [Calculated Construction, LLC](#) is proud to announce the completion of a new operations facility for Ideal Ready Mix in Ottumwa, Iowa. The project was completed in partnership with Ideal Ready Mix's parent company, The Rasmussen Group, a longstanding leader in construction and materials services across the Midwest.

The new warehouse expands Ideal Ready Mix's footprint in southeast Iowa, supporting its growing concrete construction operations. Calculated Construction led the project from the ground up, delivering a [custom steel structure](#) built for durability, efficiency, and long-term use.

“

This project was a great example of teamwork and trusted partnerships. Ideal Ready Mix has a strong reputation, and we were honored to build a facility that will support their continued growth.”

Calculated Construction, LLC*

“This project was a great example of teamwork and trusted partnerships,” said Jordan Kramer, owner of Calculated Construction. “Ideal Ready Mix has a strong reputation across Iowa, and we were honored to build a facility that will support their continued growth in the Ottumwa area.”

The successful completion of the Ottumwa warehouse marks another milestone for both teams, demonstrating the strength of Iowa-based partnerships and the value of steel construction in supporting long-term growth. Beyond the build itself, this project contributes to ongoing economic development in Ottumwa by creating jobs, expanding local industry capacity, and supporting the region's continued momentum.
