

Kim Moore Achieves Verified Agent Status On Agent Review, A National Platform for Verified Insurance Agents

BELLEVUE, WA, UNITED STATES, August 5, 2025

[/EINPresswire.com/](https://EINPresswire.com/) -- Kim Moore of Norwalk, OH has proudly earned Verified Agent status on [Agent Review](#) the premier platform dedicated to enhancing consumer insurance education and reinforcing agent credibility. "I'm excited to receive Verified Agent status and to be part of what Agent Review is doing," said Kim Moore. "The platform addresses a significant gap in the insurance industry by providing a trusted space for consumers to find credible agents whose credentials are verified by an independent third party."

Agent Review brings the popular review model used in other industries to the insurance sector. The platform enables consumers to learn the basic understanding of various insurance products and then be paired with a local agent for sales support. Consumers can review agents based on various criteria, including location, insurance expertise, performance ratings, languages spoken, testimonials, military service, charitable involvement, state licenses, carrier appointments, and more. Additionally, consumers can share reviews and ratings of their experiences, providing valuable insights to guide future decisions.

Agent Review is free for consumers and offers powerful tools like its cost of care calculators and language translation feature. This functionality is especially useful for non-English-speaking consumers or agents seeking to market to diverse communities. Platforms that cater to such needs are critical for both policyholders and potential clients. "Eighty percent of consumers begin their insurance search online, often overwhelmed by the sheer volume of websites and information that suggest insurance is simple. Whether the product is straightforward or complex, many consumers still prefer the expertise of an agent over navigating an online platform alone. While the internet has made people great researchers, it doesn't necessarily equip them for effective plan design. Without a solid plan, the result is often failure," added Jonas Roeser, CEO and Co-Founder of Agent Review.
