

Hiland Dairy Unveils Fresh New Look for Its Yogurt Line

SPRINGFIELD, MO, UNITED STATES, August 6, 2025 /EINPresswire.com/ -- Hiland Dairy has introduced a fresh new look for its classic yogurt line, featuring vibrant, modern packaging designed to showcase Hiland yogurts on store shelves while continuing to offer the consumer-favorite flavors that have made Hiland yogurt a household staple.

The lineup includes seven low-fat flavors: Key Lime Pie, Boston Cream Pie, Peach, Vanilla, Strawberry, Strawberry Banana, and Blueberry, as well as seven fat-free flavors: Black Cherry, Blueberry, Cherry Vanilla, Peach, Strawberry Banana, Strawberry, and Vanilla.

At the center of this refresh is striking In-Mold Labeling (IML) technology, which gives Hiland's delicious yogurts a premium look and feel. This packaging innovation delivers bright, high-resolution graphics, a durable, moisture-resistant finish that better protects product integrity, and is fully recyclable because the label and container are made from a single material, simplifying recycling for consumers and reducing environmental impact, a reflection of Hiland Dairy's commitment to quality, sustainability, and innovation.

The yogurt packaging joins Hiland's cottage cheese, sour cream, and dip lines, which were converted to IML packaging in 2024,
