

# Mobilisights will take the stage at ITS

*Mobilisights CEO Sanjiv Ghate is part of the Panel "Data-Driven Decision Making for Smart Mobility" at ITS World Congress 2025*

ATLANTA, GA, UNITED STATES, August 6, 2025 /EINPresswire.com/ -- [Mobilisights](#), the Data as a Service business unit and the exclusive source for embedded telematics data from Stellantis brands, will be taking part of the panel series at [ITS](#) World Congress, at the Georgia World Congress Center, Atlanta.

The ITS World Congress 2025, themed "Deploying Today, Empowering Tomorrow," is set to take place from August 24-28, 2025. This premier global event will bring together industry leaders, policymakers, and innovators to discuss and showcase advancements in intelligent transportation systems.

As part of this panel, Mobilisights CEO Sanjiv Ghate will explore how integrating data into emerging technologies is revolutionizing traffic management, predictive maintenance, and optimized route planning, and how leveraging data insights can enhance transportation efficiency and safety.

Date & Time: August 26, 2025, 3:00 PM – 4:30 PM

Location: Room A314, Georgia World Congress Center

In addition, Mobilisights will be participating in additional panel discussions as well as being on-site to meet with potential partners.

## Media Opportunities:

- Exclusive interviews with panelists, including Sanjiv Ghata
- Access to panel discussions and Q&A sessions
- Opportunities to cover cutting-edge developments in smart mobility

Members of the media interested in speaking with Mobilisights can contact Dalyce Semko at [d.semko@open2america.com](mailto:d.semko@open2america.com) to secure an interview.

#### About Mobilisights

Mobilisights is the Stellantis Data as a Service Company with unique access to embedded data telematics from fourteen automotive brands. Mobilisights envisions a smarter and safer world where innovative applications and services leverage connected vehicle datasets, and the insights they provide, to dramatically transform and continually improve everyday lives for consumers and businesses.
