Advancing Health, Access and Innovation

The 2025 Sports and Leisure Awards celebrate a sector responding to the evolving needs of individuals and communities with purpose, creativity, and demonstrable impact. This year's winners have introduced innovative approaches such as carbon-reducing facility design, community access models reaching millions annually, and technology-led solutions that enhance safety and governance across grassroots sports.

Entrants showcased a growing commitment to long-term wellbeing, accessibility, and social inclusion. From expanding participation in underrepresented groups to improving educational and developmental outcomes through sport, the initiatives recognised this year reflect a deeper integration of health, sustainability, and community benefit into everyday operations.

Business Awards UK congratulates all winners and finalists for their role in strengthening the UK's sport and leisure landscape through meaningful, future-focused work.
