YORBA LINDA, CA, UNITED STATES, August 6, 2025 /EINPresswire.com/ -- This September, [B&B Optometry](#) invites the Yorba Linda community to celebrate three and a half decades of eye care excellence at their Back to School Bash – 35 Years of Clear Vision! The free, all-ages event will take place on Thursday, September 4th from 5:30 PM to 7:00 PM at their clinic located at 19831 Yorba Linda Blvd, Suite C.

Designed as both a celebration and an educational event, the Back to School Bash blends fun, family-friendly activities with vision health awareness just in time for the new school year. As students prepare to return to class, the team at B&B Optometry hopes to underscore the importance of annual eye exams and proper vision care for children, teens, and adults alike.

“We’ve had the privilege of serving this community for 35 years,” said Dr. Seth Bernstein, one of the founding doctors of B&B Optometry. “This event is our way of saying thank you—while also encouraging families to make eye health a priority this school year.”
