Logistics Plus Inc. 5000 2025

This year's Inc. 5000 honorees have demonstrated exceptional growth while navigating economic uncertainty, inflationary pressure, and a fluctuating labor market. Among the top 500 companies on the list, the median three-year revenue growth rate reached 1,552 percent, and those companies have collectively added more than 48,678 jobs to the U.S. economy over the past three years.

"This month, as we start our thirtieth year of business, we've been profitable every year and grown every year but one," said Jim Berlin, Founder and CEO of Logistics Plus. "At the core, our mission stays simple: Solve problems, create opportunities, and have fun doing it. We're proud of awards like the Inc. 5000 — but prouder of what they stand for: a team that never forgot its roots, no matter how far we've come."
