

# Beyond Dental Care Introduces Advanced CandidPro Clear Aligners for Expert Orthodontic Treatment in Glendale, AZ

*Beyond Dental Care expands comprehensive dental services with CandidPro clear aligners, enhancing orthodontic care for families across Glendale, AZ.*

GLENDAL, AZ, UNITED STATES, August 6, 2025 /EINPresswire.com/ -- Beyond Dental Care, a trusted family dental practice serving teens, adults, and seniors in Glendale and the surrounding Phoenix area, has officially added CandidPro clear aligners to its suite of services. This addition enhances the practice's focus on comprehensive dental care in Glendale, AZ, offering patients a more convenient and technology-driven solution for orthodontic treatment.

*Beyond Dental Care*

The decision to integrate CandidPro aligners into the practice's treatment offerings reflects both patient demand and the growing industry trend toward remote monitoring and minimally invasive alignment options. Designed for mild to complex orthodontic cases, CandidPro clear aligners allow patients to straighten their teeth with precision, while significantly reducing the number of in-office visits.

“

We've seen growing interest from our teen and adult patients for clear aligners that fit their lifestyles”

*Dr. Dariene Lazore*

“We've seen growing interest from our teen and adult patients for clear aligners that fit their lifestyles,” said Dr. Dariene Lazore, owner of Beyond Dental Care. “With CandidPro, we're able to offer expert-guided treatment

supported by remote technology, giving our patients more flexibility without compromising on

outcomes.”

### [Key Features of CandidPro at Beyond Dental Care:](#)

- Remote Progress Monitoring: Using the FDA-cleared ProMonitoring™ app, patients can submit virtual progress scans directly from home.
- Expert Oversight: Each treatment plan is developed by licensed orthodontists and closely coordinated with Dr. Lazore.
- Minimal Attachments: The aligners often require fewer attachments than traditional systems, preserving aesthetics.
- Improved Precision: CandidPro’s approach allows for more predictable outcomes with fewer refinements, especially compared to other brands.

CandidPro Clear Aligners

The introduction of CandidPro reflects Beyond Dental Care’s commitment to modernizing dental care for patients in Upper West Side Phoenix, North Glendale, and North Peoria. As dental patients increasingly prioritize convenience and transparency, practices are moving toward digital-first orthodontic solutions.

CandidPro aligners are designed for teens, adults, and seniors, making them a seamless fit for the practice’s existing patient demographic. Unlike other options, [CandidPro pairs remote monitoring with orthodontist-directed care](#), ensuring that treatment stays on track and adjustments can be made when needed.
