

How Vacation Ownership Clubs Offer Unmatched Flexibility

Vacation Ownership Clubs Allow You to Vacation Your Way

MYRTLE BEACH, SC, UNITED STATES, August 8, 2025 /EINPresswire.com/ -- Today's travelers crave freedom—freedom to explore, to customize, and to vacation on their terms. Vacation ownership clubs are proud to deliver on that promise with an ownership model that offers unmatched flexibility, personalization, and convenience for the modern vacationer.

“

Today's vacation owner wants options, and that's exactly what we deliver—from beachside getaways to mountain retreats to all points in between.”

*Travis Bary, Co-President of
Capital Vacations*

Through its flexible points-based system and wide network of resort destinations, vacation ownership clubs empower members to travel how, when, and where they want—without the limitations of traditional fixed-week timeshare ownership. Whether planning a spontaneous weekend escape or a two-week family adventure, members have the ability to design vacations that suit their lifestyle, schedule, and interests.

“Today's vacation owner wants options—from beachside getaways to mountain retreats to all points in between,” said Travis Bary, Co-President of Capital Vacations. “And the amenities and room choices make travel even more exciting—whether you're looking for a spacious multi-bedroom suite, a private balcony with an ocean or mountain view, or a fully equipped kitchen for a home-cooked meal on vacation.”

With access to top destinations across North America and through affiliated global exchange programs, vacation ownership club members can choose from a diverse range of experiences—sun-soaked beaches, ski resorts, vibrant cities, or quiet countryside escapes. The flexibility to exchange points with companies like TPI and RCI, which give owners even greater control over how they travel, while still enjoying the premium resort amenities and personalized service that define the vacation ownership experience.

Gone are the days of the “same place, same week” vacation ownership model. Today, vacation ownership club members are enjoying the freedom to create a vacation schedule as dynamic as their lives—without sacrificing value, comfort, or quality.
