Award-winning kosher chocolate factory earns top honors for handcrafted gifts, quality, and service.

FL, UNITED STATES, August 6, 2025 /EINPresswire.com/ -- [The Sweet Tooth](#) Chocolate Factory has officially been named Best Candy Store by Aventura Magazine in the publication's 2025 Best Of Awards, recognizing excellence in gifting, innovation, and customer experience.

This honor marks a major milestone for the legacy chocolate brand, which was founded in 1979 and recently celebrated its first year under new ownership. Entrepreneur Michael Briansky stepped in with a vision to expand the business while preserving the handcrafted quality and nostalgic charm that longtime customers love.

"This win means everything to our team," said Briansky. "We work nonstop to create memorable gifts and meaningful experiences—this recognition is a huge motivator as we continue to grow."

“

The Sweet Tooth has cemented its place as the gift clients hope to receive—and the one smart companies send when impressions matter."
