The A' Engineering, Construction and Infrastructure Design Awards are open for entries by Infrastructure Designers, Civil Engineers, Building Engineers, Infrastructure Brands, Infrastructure Manufacturers, Real Estate Development Companies, Architects, Architectural Firms, Structural Engineers, Construction Companies, Infrastructure Companies, Municipalities, Urban Planning Agencies, Transportation Consultants, Public Works Departments, Infrastructure Innovation, Consultancy, Research and Development Companies worldwide. Designs that were designed within the last 10 years are eligible for participation.

The A' International Engineering, Construction and Infrastructure Design Awards is a two-phase competition. The first phase of the competition is free to join, Infrastructure Designers, Civil Engineers, Building Engineers, Infrastructure Brands, Infrastructure Manufacturers, Real Estate Development Companies, Architects, Architectural Firms, Structural Engineers, Construction Companies, Infrastructure Companies, Municipalities, Urban Planning Agencies, Transportation Consultants, Public Works Departments, Infrastructure Innovation, Consultancy, Research and Development Companies can register at A' Design Awards to submit a work for the Infrastructure

Awards, and get a preliminary score for their entries. Projects that pass the preliminaries can proceed with nomination, however it shall be noted in advance that there is a nominal fee for nominating entries for Infrastructure Awards consideration.

Infrastructure Awards Timeline & Eligibility

Deadline for entries to A' Engineering, Construction and Infrastructure Design Awards is on September 30, 2025. Results of the A' Engineering, Construction and Infrastructure Design Awards will be announced on May 1, 2026. Professional-edition laureates of the A' Engineering, Construction and Infrastructure Design Awards will be granted the highly coveted A' Design Prize which contains a series of PR, marketing and publicity tools to celebrate the status of winning the Infrastructure Awards.

The following are some example projects that could be submitted to A' Engineering, Construction and Infrastructure Design Awards : Bridges, Tunnels, Highways, Railways, Airports, Dams, Power Plants, Ports and More. Infrastructure Awards Sub-categories and their descriptions are available at <https://competition.adesignaward.com/category/90Award> for Good Infrastructure Design

The A' Design Prize for A' Engineering, Construction and Infrastructure Design Awards includes: Design Excellence Certificate, Lifetime license to use the A' Engineering, Construction and Infrastructure Design Awards Winner Logo, Yearbook of Best Designs, Exhibitions of Awarded Works in Italy, Exclusive Design Award Trophy, Exclusive Invitation to Take Part in the A' Design Awards' Gala-Night – La Notte Premio A', Translation of Awarded Works into Foreign Languages, Entry to Prime Clubs, as well as inclusion in World Design Rankings, Designer Rankings, Infrastructure Design Classifications and Design Legends platforms.

In addition the laureates of the A' International Engineering, Construction and Infrastructure Design Awards will also get an exclusive interview which will be published at Designer Interviews website as well as included in the Press Kits. Award winners will also get a press release prepared to announce their victory. For the winners of A' Engineering, Construction and Infrastructure Design Awards , a very inclusive press kit will be prepared which contains the exclusive interview with the designer, the press release for award announcement in addition to design images, photographs of the designer, logo of the designer and the client, dozens of high-resolution photos and images for added exposure including a portfolio that contains previews of other designs projects by the designer.

The Press Kits prepared for the winners of the A' International Engineering, Construction and Infrastructure Design Awards will be distributed to thousands of press members who have gained press accreditation from A' Design Awards. Furthermore there are already dozens of press partners who have confirmed in advance to publish a selection of the best projects among award winners. Both the Press Kit preparation and distribution service as well as the A' Design Prize are given free of charge to the Infrastructure Awards laureates as a gift to celebrate their success of winning the A' Engineering, Construction and Infrastructure Design Awards.
