

CED Solutions Adds 2 Exams Per Course - Top 10 IT Certifications for 2025 — Expert Training for Modern Cyber Careers

CED Solutions adds two Certification exams to the LIVE online and in-person bootcamps delivered by experienced instructors.

BOZEMAN, MT, UNITED STATES, August 7, 2025 /EINPresswire.com/ -- As

demand for skilled IT professionals continues to surge, CED Solutions announces the addition of TWO Certification exams for the Top 10 IT

Certifications for 2025, available both LIVE online and in-person bootcamps delivered by experienced instructors. Each certification course is backed by CED's hands-on instruction, official materials, and proven pass rates.

CED Students attending class

“

CED Solutions has provided IT training and Certification to 50,000 students! We have added TWO Certification exam vouchers to all of our courses to ensure that the student obtains the Certification.”

Richard Rodgers

"CED Solutions has provided IT training and Certification to more than 50,000 students in the past 25 years" said Richard Rodgers, Pres & CEO. "We have now added TWO Certification exam vouchers to all of our courses to ensure that the student obtains the Certification."

CompTIA [Security+](#) (SY0-701)

"CompTIA Security+ is a global certification that validates the baseline skills necessary to perform core security functions and pursue an IT security career."

CompTIA Network+ (N10-009)

"CompTIA Network+ (Exam N10-009) validates the core skills necessary to establish, maintain, troubleshoot and secure networks in any environment, preparing you for a rewarding career in networking and cybersecurity."

CompTIA A+ (220-1101 & 220-1102)

"CompTIA A+ certified professionals are proven problem solvers... It is trusted by employers around the world... CompTIA A+ appears in more tech support job listings than any other IT credential."
