Best Selling Author - Marc Rampaul

Central to the success of "Flip the Script" is Marc’s chapter, "Arm Wrestling With Texans." Marc shares hard-won lessons from navigating high-stakes negotiations and leadership challenges in the unforgiving oilfields of West Texas. His story highlights the power of humility, emotional intelligence, and listening over bravado and force. It's a compelling look at how real influence is earned not through dominance—but through understanding what truly matters.
