DALLAS, TEXAS, TX, UNITED STATES, August 8, 2025 /EINPresswire.com/ -- [Karen Cortell Reisman](#)'s Company, Speak For Yourself®, has achieved a significant milestone by being selected onto Global Gurus' Communication Development Programs list for the second time. (globalgurus.org)

The Global Gurus rankings are among the most respected in the speaking and training industry. These annual lists are based on public nominations and voting, combined with independent analysis of a speaker's global reach, originality of thought, presentation delivery, social media impact, publications, and contribution to their field. Global Gurus is known for its impartial, merit-based process that excludes paid advertising or sponsorship influence, making it a truly credible benchmark of global influence.

Karen got rejected as her high school valedictorian due to a "B" in Home Economics because her blueberry muffins were lumpy and leaning to the left, but she hasn't stopped speaking since. She has one Bachelors' degree, one Masters' degree, one cow named Bliss, one daughter, one son and one husband (not necessarily in that order). She has made audiences and individual clients laugh, listen, and learn across North America, Germany and Israel for over 25 years.

An accomplished author, Reisman has penned 2 books, *The Naked Truth about Giving Great Speeches* & *The Naked Truth about Selling*. She also writes a short pithy weekly blog all about communication and selling.

Her professional credentials are equally impressive. Reisman is a past president of the National Speakers Association North Texas Chapter, a recipient of this Chapter's Member of the Year

Award, the Presidential Award, and the organizations' highest honor, The Joseph J. Charbonneau Service Award. She also possesses the certification as a Certified Virtual Presenter (CVP), showcasing her adaptability in both in-person and virtual platforms.

""Being recognized by Global Gurus is an incredible honor,"" said Reisman. ""It's a reflection of the hard work, dedication, and the impactful principles that I share to inspire others to speak for themselves with power and presence."
