CONCORD, CA, UNITED STATES, August 11, 2025 /EINPresswire.com/ -- At Hafey & Karim, we are always looking for ways to [support immigrants](#) in need of legal representation. In service of this goal, we are excited to share that we have opened our new office in [Concord, CA](#), broadening the range of our services. This strategic relocation enables us to more effectively represent immigrants in [asylum](#) petitions and other critical cases.

We made the choice to open a new office in Concord after an immigration courthouse was built in the city's downtown area in 2024 at 1855 Gateway Boulevard, Suite 850. Our

Concord office is located less than a mile away from the courthouse, allowing us to represent clients from a convenient, accessible location. We also serve clients in surrounding cities, including San Francisco, Oakland, San Rafael, San Pablo, Richmond, and more.

Our firm is well-versed in immigration law, and we provide comprehensive legal support to assist with deportation defense, citizenship and naturalization applications, family-based immigration, and petitions for green cards, among other services.
