

MBW RCM Achieves SOC 2® Type 2 Certification, Reinforcing Commitment to Security and Operational Excellence

SOC 2® Type 2 confirms MBW RCM's excellence in security, availability, processing integrity, confidentiality, and privacy.

MONSEY, NY, UNITED STATES, September 3, 2025 /EINPresswire.com/ -- [MBW RCM](#), a leading provider of healthcare Revenue Cycle Management (RCM) and IT services, proudly announces its successful completion of the SOC 2® Type 2 audit, marking a major milestone in its commitment to security, regulatory compliance, and client trust.

MBW® RCM is Now SOC 2® Type 2 Compliance Certified!

The independent audit, conducted by a third-party auditor, reviewed MBW RCM's internal controls over the period of June 1, 2024, to May 30, 2025. The certification confirms that MBW RCM's security, availability, and confidentiality protocols are not only well-designed but also effectively implemented throughout daily operations. The certification is valid until June 1, 2026.

“

Achieving SOC 2 Type 2 certification is a strategic milestone that affirms our operational maturity and security-first culture”

Melvin Miller, CEO, MBW RCM

“This certification reflects the discipline, rigor, and transparency we hold ourselves to every day,” said Vinod

Sankaran, CEO of MBW RCM. “It’s a validation of our ongoing efforts to protect client data and uphold the highest standards in healthcare operations.”

SOC 2®, developed by the American Institute of Certified Public Accountants (AICPA), is a widely respected framework that evaluates how organizations manage customer data based on trust service criteria.

“Achieving SOC 2 Type 2 certification is a strategic milestone that affirms our operational maturity and security-first culture,” added [Melvin Miller](#), COO of MBW RCM. “We are committed to continually investing in technologies and processes that ensure client confidence and regulatory alignment.”

The certification covers MBW RCM's entire suite of [RCM services](#) and healthcare software development operations.

Why It Matters:

- Validates MBW RCM's controls related to Security, Availability, and Confidentiality
- Supports compliance with HIPAA and other healthcare regulations
- Demonstrates MBW RCM's proactive stance on data privacy and risk mitigation
