“

“This book is a mission plan for veterans—connecting their skills to the language of business so they can lead with confidence in any environment.” – Benny R. Kinsey”

Benny R. Kinsey

Command Sergeant Major and Texas A&M Executive MBA graduate Benny R. Kinsey releases *From the Frontline to Executive Success: Translating the MBA for Veterans*, a clear, jargon-free roadmap helping veterans and leaders transition from high-intensity careers to thrive in corporate roles. Now available on Amazon, Audible, and iTunes.

Military veterans, first responders, and leaders from high-intensity careers now have a direct, actionable guide to transition into business leadership. *From the Frontline to Executive Success: Translating the MBA for Veterans*,

written by retired U.S. Army Command Sergeant Major and Texas A&M Executive MBA graduate Benny R. Kinsey, is now available worldwide in Kindle, paperback, hardcover, and Audible editions.

Drawing from more than 25 years of distinguished military service and over a decade in corporate and nonprofit leadership, Kinsey offers a jargon-free, mission-focused translation of MBA concepts. The book bridges the gap between the battlefield and the boardroom, making complex business strategies accessible to veterans and high-performing professionals.

“This isn’t another leadership book,” says Kinsey. “It’s a mission plan. Veterans already have the discipline, problem-solving skills, and grit to lead. This book connects what they know with the language of business so they can operate at the highest levels without losing who they are.”

Organized across six parts and 25 chapters, the book blends business school theory with real-world application, covering:

Strategic Leadership – Turning vision into results in any environment

Financial Decision-Making – Simplifying profit, loss, and investment strategy

Corporate Strategy – Competing, innovating, and building sustainable advantage

Global Mindset – Leading effectively across cultures and markets

Team Performance – Building high-trust, high-output organizations

With practical tools, relatable stories, and actionable frameworks, *From the Frontline to Executive Success: Translating the MBA for Veterans* equips readers to lead with confidence in their next mission—whether in corporate leadership, entrepreneurship, or community service.

From the Frontline to Executive Success: Translating the MBA for Veterans is available now on Amazon, Audible, and iTunes.
