

# Sugar Sugar™ Revamps Skin From Scratch™ With FDA-Certified Manufacturing for Clean Beauty Franchise Growth

*New partnership elevates Sugar Sugar's proprietary clean beauty products, enhancing quality, sustainability, and franchise market appeal.*

SCOTTSDALE, AZ, UNITED STATES, August 11, 2025 /EINPresswire.com/ -- Sugar Sugar™ Announces Major Revamp of Proprietary Skin From Scratch™ Product Line in Partnership with Phoenix-Based Manufacturer

[Sugar Sugar™](#), the leading name in clean beauty franchising and [home of Comfort Sugaring™](#), is proud to announce a major evolution of its proprietary product line, Skin From Scratch™. This strategic move strengthens Sugar Sugar's position as a top choice for clean beauty franchise sales and organic skincare franchise ownership nationwide.

The new partnership with a Phoenix-based, FDA-organic certified manufacturer marks a pivotal shift from traditional wholesale and white-label models to a fully dedicated, direct manufacturing relationship. This collaboration ensures every Skin From Scratch™ product is custom-curated to meet Sugar Sugar's exact specifications, maintaining the integrity and performance that franchise owners and clients have come to expect.

["Our goal is to keep Sugar Sugar franchisees ahead of the curve,"](#) said Sugar Sugar Founder Aimee Blake. "This manufacturer not only holds FDA organic certification for food-grade products, but also has deep expertise in cosmetic production. This gives us a stronger competitive advantage as the clean beauty and organic skincare markets continue to expand."

Key Benefits for Sugar Sugar Franchise Owners:

Enhanced Product Formulations: Most core products remain consistent, but with upgraded

Organic Sugar Specific Products –

ingredient profiles for better results.

**Streamlined Logistics:** Direct drop-shipping from the manufacturer to franchise locations with branded labeling, reducing costs and restock wait times.

**Eco-Friendly Packaging:** New double-walled, white bottles and jars with wooden closures and “born-on” dating for freshness transparency.

**Scalability for Growth:** Systems designed to support multi-unit beauty franchise owners and future product expansion, including lash and brow tint upgrades.

This upgrade applies to the entire Skin From Scratch™ range, which already includes eight high-performing products. Franchise owners will see immediate improvements across the line, with additional refinements rolling out in the coming months.

Sugar Sugar™’s commitment to clean, inclusive, and results-driven beauty remains at the heart of its growth strategy. This product line overhaul is a clear sign to prospective franchise buyers that the brand is not only innovating in organic beauty products, but also in operational systems designed to help franchisees thrive.
