

# Strategic Partnership Between ZagTrader and Karmal Brokerage to Enhance Trading Capabilities in Iraq

DUBAI, UNITED ARAB EMIRATES,  
August 10, 2025 /EINPresswire.com/ --

ZagTrader, a leading global provider of trading and investment technology solutions, has announced a strategic partnership with Karmal Brokerage, a prominent Iraqi brokerage firm. This collaboration aims to enhance the trading experience for investors in Iraq by integrating

advanced trading technologies and expanding access to global financial markets.

“

This partnership marks a major step in modernizing Iraq's trading landscape, combining our technology with ISX Karmal's local expertise to offer investors exceptional trading opportunities.”

*Shihab Khalil, CEO of  
ZagTrader*

## Key Highlights of the Partnership:

-Advanced Trading Infrastructure: The partnership will introduce state-of-the-art trading platforms, offering real-time market data, advanced charting tools, and seamless order execution.

-Enhanced Market Access: Investors will gain access to a broader range of financial instruments, including equities, bonds, and commodities, facilitating diversified investment

portfolios.

-Regulatory Compliance: Both companies are committed to adhering to international regulatory standards, ensuring a secure and transparent trading environment for all participants.

-Back Office Automation & Reporting: The collaboration will drive efficiency through streamlined back-office operations, automated workflows, and powerful reporting tools, enabling greater operational control and scalability.
